

District Governor Cabinet Report Fall Conference 2025

What an amazing two ½ months leading our District. And in only this short period of time, the accomplishments of our District and Cabinet have been outstanding.

Our website is setting the bar high, and I greatly appreciate the leadership of PCC Glen Logan and Lion Sally Cooney-Anderson on its execution and curation of timely and meaningful content. Also, kudos to Lion Jim Kaplan on our timely social media footprint on Facebook and Instagram. Please visit, like, and share with your friends, but most importantly, provide content for him! The District 24L website and social media footprint is yours to use!

I have had the honor to make Official visits to the following clubs to-date: Culpeper 92, Remington, Luray, Arcola, Alexandria Host, Elkton, Mason Neck, LOW Lioness Lions, Alexandria Asian American, Basye Bryce Mountain, Bailey's Crossroads, Crozet, Waynesboro, Leesburg, Engleside, Front Royal, and Sterling. Thank you for your hospitality, but more importantly, thank you for your Service to the community.

I had the privilege of inducting all the charter members of our newest 24L club, the McLean FilAm Lions. What an honor and I look forward to watching this new club make an impact on their community.

I visited the Greene County Lions 75th Anniversary celebration. What an innovative way to celebrate with the community they support. Great job!

We had a successful Cabinet Installation, that was well attended and full of fun and fellowship. Thanks to Cabinet Secretary Vicki and making sure all pertinent information was handed out and included on the agenda. Thanks again to PID Jay Moughon for installing our cabinet!

What a GREAT turnout at the Visitation Kickoff/Awards ceremony. Many thanks to Lion Christine Frescas and the Greater Falls Run Lions for putting the event together and the Remington Lions and our amazing hosts! Please consider the Visitation Award program – learn from other clubs while sharing in fellowship and Lionism.

I had the pleasure of presenting the Rappahannock Education Farm with a check from LOVF for over \$30K – money collected from clubs in two Zones, Lions donations, and a \$10K LOVF matching grant. We also received a \$5K LCIF Community Impact grant to add to the \$30K – this donation of over \$35K will help with operations as the work to grow 100K of fresh produce every year for the local food banks and pantries.

Lion Dorothy and I also had the pleasure of screening middle school children and Drew Middle School, and I spoke to four leadership classes at Stafford Middle School on the importance of community service and leadership through the Leo program.

I am attending the USA Canada Leadership Forum 17-20 September in Atlantic City, NJ and had the pleasure of kicking off this Lion Year in Orlando in July at the International Lions Convention.

Last, but not least, I have held monthly Zoom meetings for the 24L Global Action Team (GAT) and Leadership, the Multiple District GAT, and I have been attending the Mission 1.5 Zoom Meetings, Area GAT Zoom Meetings, Membership Monday Zoom Meetings, and Lions of the United States Zooms Meetings.

I am looking forward to our Fall Conference, visiting the other District's Fall Conferences, my remaining official visits, and continuing to see the impact our District makes to our community!

Thank you for this privilege to lead this District. It is humbling and truly an honor!

Navigating to the Future,
DG Dan
