

Visitation Kick-off was held on Saturday August 16, 2025/ There were 97 in attendance. Several awards were presented, including patches for visitation and the small club with the most visitation and the large club with the most visitation. Overall, 26 clubs received patches for visitation.

Visitation guidelines for 2025-2026 were distributed at the kick-off and sent to all club secretaries.

There was a slideshow during the event showcasing clubs in the district and a scavenger hunt to get to know people who attended that they did not know.
