Subj: Cabinet report for the 24-L Winter Conference

I am providing you with a summary of my activities in support of the assignments I have been given.

Constitution and By-Laws.

- I reviewed a revised CBL for the Lake of the Woods Lions Club.
- I reviewed the proposed changes, submitted by the MD24 finance committee, to the MD24 CBL. They will clarify some accounting measures. I support the proposed changes.
- No proposed MD24 CBL changes were submitted by 24-L clubs.

2027 State Convention Chair

- I have investigated four sites.
- I have reviewed the State Convention contracts from past years.
- Once I lock down the location, I will be looking for a Zone to help host.

MD24 LCIF Coordinator for Virginia

- Working with the District chairs to set up the Virginia Virtual Duck Race.
- The electronic collection of funds will ensure clubs and the Districts receive proper credit for the Duck sales.
- I have been encouraging clubs to designate their club coordinators. Soon, this will be a reportable club officer position in Portal.
- Supporting the Montclair Lions Winter Classic Charity Texas Hold-em event, scheduled for 8 May 2026. LCIF is a beneficiary.

Respectfully submitted

James V Cech, IPDG 24-L
