

## MD24 - Virtual Duck Race - 2026

Join us in Bristol for a virtual Duck Race to support LCIF. Lions are going to be racing their ducks from across the state for an opportunity to receive a Melvin Jones Fellowship or to name someone they wish to honor with a MJF.

This is a fun way to support LCIF and to virtually race ducks down a hazardous waterway while cheering for your duck to cross the finish line.

Click on the link below to purchase your virtual duck and to see A promo for the big event.

<https://ezvirtualrace.com/lions/>

The four duck races will take place before our Saturday Banquet at the state convention in Bristol. You do not need to be present to win.

Excitement is growing. Ducks are getting ready. Join the fun by buying a duck or two and get ready for the big race. Lions don't always like to get wet but our ducks will be ready to race. DG Dan is ready. Duck apparel for the race is optional but could be added fun.

See you at the races,

VDG Chuck Schwab
