In November, every Club Membership Chair of Record received an email regarding a set of Membership documents and tools with links to the District website. The email emphasized the point that every Membership Chair was an important member of the District Global Membership Team. I am encouraging clubs which have not identified a Membership Chair to elect or appoint one and enter their name in the Lion Portal so that we may add them to our distribution for future membership communications.

Continuing to support Multiple Membership Monday Zoom meetings hosted by Lion Mack Stevens, District 24-I GET. All interested Lions are welcome to join in. The Zoom link is available at valions.org at <https://lionsdistrict24i.org/multiple-membership-mondays-2/>.

Details of individual and club awards and recognition, including “Each One – Bring One” are posted on the District website.

The MD and District GAT hosted two membership- and extension-focused Zoom meetings – one with the leadership of the Seal Beach (California) Lions Club on December 8, 2025, and one with PDG Ronnie Martin of Texas. The Seal Beach Lions Club described how they grew their club to over 400 members, the largest Lions Club in the U.S. PDG Ronnie discussed his strategy and tactics to organize many new Lions clubs within a short time.

Respectfully Submitted,
