

**Lions Clubs International
FOUNDATION**

To date, this Lions year, we are continuing our support to LCIF at the same levels as in years past. In addition, DG Dan is using Community Impact Grants to support several clubs across the District as they provide opportunities to help those in need.

Several Clubs have large Melvin Jones Credits that are available to be used for honoring club members with a Melvin Jones Fellowship. Your clubs have already contributed to LCIF, now it is time to use those credits to honor a Lion. Let me know if you would like help to use your Melvin Jones Credits.

Get ready for a Virtual Duck Race at our State Convention in Bristol. The winner of our statewide duck race will have the opportunity to receive a Melvin Jones Fellowship or to name a Lion they would like to honor with a MJF. Ducks will be available for purchase through May 30th.

Thank you for your continued Support to LCIF, our Foundation!
