

**Lions District 24L
Second Vice District Governor
2025-2026 Quarter 3**

Date: May 8, 2026

To: District Governor Dan Visone

From: SVDG, Gregory L. DeRosa

Subject: SVDG
Cabinet Report 2025-2026 Qtr 3

The report for District 24L, Second Vice District Governor for 2025-2026 Quarter 2 (**January to April 2026**) is reflected below.

SVDG was assigned **26 Clubs** for District Visits. Clubs Visited: 22; Club (1) requested a reschedule date: Craigsville; Clubs (3) not meeting: Arlington Northwest, Lake Jackson MidCounty; and Virginia Gateway (possible closure).

In addition to Club Visits, SVDG attended during this quarter Zone I and Zone F meetings; Regional Lions Leadership Institute (RLLI); Montclair Fundraising Texas Poker Night; District 24L Regional Bland Contest; Manassas Lions Membership induction of 3 Lions; and Reston Lions Charter Night, LCIF Melvin Jones Award Presentation, and Membership induction of 3 Lions (May 6).

Winter Conference January 10, 2026: District 24L hosted the Winter Conference at the Winchester Moose Lodge. SVDG Co-Chaired the Conference which had approximately 170 attendees; Kick Off to Hunger Week food collection for Winchester local food pantries; and included the following key topics: Hunger projects, Humanitarian Mental Health Awareness, Disaster Relief and Community Response, Membership Recruitment and Retention,

Leadership Building, Youth Voices in Service (Leos), and various networking opportunities.

Disaster Preparedness Grant: District 24L coordinated with Districts 24C and 24I to submit a LCIF grant request for \$5,000 to purchase disaster preparedness kits from the Church World Service. Kits will be ordered, assembled, and stored for future availability.

Virginia State Convention: SVDG is scheduled to partner in the presentations of Disaster Preparedness and Artificial Intelligence.

SVDG as a member of Fairfax Host continued to support various activities to include coordinating with the City of Fairfax for the upcoming Night in the Park; July 4th and Fall Festival fundraising events.

SVDG continued to address the 7 Key Areas as outlined by the District Governor: Lions Global Impact; 24L Theme of Navigating to the Future; Membership Growth with Purpose; Service; Leadership; Upcoming Highlights; and Communication.

Club visit reports have been individually submitted.

Overall assessment for this quarter, High-performing clubs continue to strengthen fellowship, maintain a clear vision, recruit and retain members – especially younger members – develop future leaders, provide mentoring and orientation, leverage technology for outreach and engagement, participate in district activities, and build strong community partnerships, while clubs at risk often experience declining membership, limited leadership depth and succession planning, isolation from district involvement, weak recruitment efforts, and minimal use of technology for communication and outreach.

District 24L
