March Membership Madness Report

District 24-L participated in the Lions Clubs International March Membership Madness Challenge where all clubs were encouraged to recruit at least two members during the month of March.

- Continued the District’s year-long recruitment plan, “Each one Bring One”
- Held a Virtual Worldwide Induction Day on Zoom and patched in International President A.P. Singh’s live presentation at the MD5 Convention.
- Membership numbers were bolstered by the March Membership Madness Challenge, the District chartering a new club and reinstatement or transfer of club members.

Freedom 250 National Memorial Day Parade:

On May 25, 2026, Lions from Multiple Districts 22 (Washington DC, Maryland and Delaware) and 24 (Virginia) participated in the 2026 National Memorial Day Parade for the 18th time. The participation was made possible by an LCI Marketing Grant. Julia Baylosis, LT Junior Grade, U.S. Navy who is the reigning Miss USA Icon title holder, rode the float with the Lions. She’s a nurse assigned to Walter Reed National Military Hospital in Bethesda, MD. Her passion is combating human trafficking.

Forty Six Lions pre-registered but only 31 attended due to the threat of rainy weather. Attendance may have also been affected by the earlier than usual start time of 10:00 am rather than 2:00 pm. Past Internation President, three PIDs, one CC/DG, two DGs, 1 PCC, and 5 PDGs. We were also joined by two prospective members and a prospective Leo.

The parade was streamed on the internet on the American Veterans Center YouTube channel as well as television broadcast and cable outlets (e.g., C-SPAN) and the American Forces Network. As of 11:05 PM May 26,

- Right Side Broadcast Network – 147,000 views
- American Veterans Center – 125,000 views
- ABC7 – 60,000 views
- C-Span – 80,000 views

PDG Woody, recently discharged from his long stay in the hospital and rehab, hosted the usual post-parade BBQ at his home.

WorldWide Induction Day

Approximately 40 newly inducted Lions and sponsors attended the District 24-L Zoom meeting.

Challenges:

- Success in chartering new clubs, overall recruitment is strong but retention remains a primary challenge.
- Several clubs are turning in their charters.

Respectfully Submitted,
