**Mt. Jackson Lions Club Zone Meeting Report
Woodstock Presbyterian Church
May 18th, 2026**

- We just completed our biggest fundraiser of the year, our annual Kentucky Derby Vacation/Cash Party! We netted over 25,000.00 this year and are thrilled with the continued support from our local community!
- Broom sales chairman, Willie Meadows, says that sales have been steady over the past couple of months and we are adding an additional display at SEARCH ,Inc., our local thrift store. We are proud of the support from our community.
- One of our biggest fundraisers was held on Friday, February 27th at the Edinburg Fire Hall. It was our annual Gun Party and once again, it was sold out! We netted over 18,000.00 this year. This fundraiser benefits sight and hearing conservation and other local projects for our area.
- Our Facebook Page continues to be a great resource for our club. We post pictures of our guest speakers from our meetings and what's going on in our club. We welcome all suggestions and material that would be helpful for all Lions Clubs in our area.

- We have , once again, signed up for three nights of courtesy shuttles for our local Shenandoah County Fair. This service gets our club out in the community and gives us a chance to speak with fairgoers about what we do and who we support.
- Finally, we are going to hold a White Cane Day Gun raffle in September with all proceeds going to Sight and Hearing Conservation.

We continue to support our community and are looking forward to serving them in the coming year.

Thank you and respectfully submitted,

Lion Danny Ortts
