

## **Stamps for the Wounded**

### **Who do we serve?**

**Our wounded and ill servicemen and women who are in and out patients at Department Of Veteran Affairs hospitals located all across the country.**

### **What can we do?**

**We do what we can to relight the spark of interest and life in the weary eyes of a wounded or convalescent veteran's eyes that without such help would stare at nothing but what one G.I. called "white ceilings and dark futures" .**

### **What can stamps do?**

**Miracles, almost. Stamps can give bedridden patients, and convalescent patients a consuming interest. They can sort and mount stamps while in bed.**

### **Who we are?**

**Stamps for the wounded was founded in 1942 in New York, in response to an appeal from Armed Services Hospitals. It was extended nationwide in 1944.**

### **How are the materials used?**

**They are used to provide activities and challenges that develop enthusiasm and even a reason to live. They are used for art projects and other crafts.**

**In clipping stamps from envelopes and packages, PLEASE leave at least a quarter inch margin of paper around stamp.**

**Donation by cash or check are always for mailing expences.**
