

Dear Lions Cabinet Members,

I am pleased to submit the report for the recent Visitation Kick-off event.

The event was a great success, with 125 Lions in attendance. The program focused on fellowship, celebrating club accomplishments, and encouraging continued participation in visitations. Additionally, an icebreaker provided an opportunity for attendees to share their service projects, and memorable activities from the past year. This served as an engaging way to exchange ideas and recognize the positive impact Lions are making in our communities.

Visitation awards were presented to individual Lions and clubs with outstanding participation, specifically honoring those completing 12 or more visits and recognizing clubs with 30 more or 30 fewer members.

Thank you to everyone who participated and helped make this event a success.
