

WHITE CANE CABINET REPORT

FALL CONFERENCE

I reached out to all Lions clubs throughout the District to determine which clubs currently participate in White Cane events and to identify a point of contact for each participating club. To date, 31% (24 clubs) have responded to my request. Of those 24 clubs, 71% (17 clubs) currently participate, or are considering participation for the first time, in White Cane activities.

Zone A – Alexandria-Lincolnia, Mount Vernon Evening

Zone B – None

Zone C – None

Zone D – Reston

Zone E – Manassas Host, Montclair

Zone F – Aquia Evening, Aquia Harbour Host, Greater Falls Run, Stafford County

I anticipate participation will increase as White Cane Day falls within the Lions' Vision Week of Service, providing an excellent opportunity to raise awareness and encourage additional clubs to become involved.

As we progress through the Lion Year, I will continue to gather information and feedback from clubs conducting White Cane events.

This information will be used to identify successful approaches and best practices that can be shared with all clubs interested in developing or expanding their White Cane activities.
