● **Additional Comments**

- Westmoreland President is tired and ready to close the club due to lack of membership and running all three offices for the past two – three years. Cathy told me she asked for help in the past but never had any assistance offered. Meetings re now held in Montrose – very small town that doesn't even have a chamber of commerce (or even a McDs) I will work with her when she gets back for Europe.
- Plan on going to Dahlgren meeting this month.
