

Listen Up!™

Dear Community Partner,

Imagine a child entering kindergarten struggling to learn, communicate, and connect with others—not because they lack ability, but because an undetected hearing loss is holding them back.

For too many children, hearing loss goes unidentified during their critical early developmental years, leading to delays in speech, language, literacy, and learning. **Early detection can change the course of a child's life.**

That's why Lions Clubs in Northern Virginia are expanding the **Lions Listen Up! Program**, providing **FREE hearing screenings for preschool-age children** and helping connect families with resources when potential hearing problems are identified.

We Need Community Partners Like You!

Our goal is to raise **$66,000 to purchase specialized hearing screening equipment** to reach more children throughout Lions District 24-L. **We're already halfway there!**

We invite your organization to partner with us in giving children a stronger start in life.

Your support can make a difference:

- **$5,500** – Sponsor a complete hearing screening equipment kit.
- **$1,000 or $2,500** – Help expand screening capabilities and community outreach.
- **$185** – Fund the annual calibration of one screening device.
- **Any amount** – Help bring free hearing screenings to more children.

More Than a Donation—An Investment in Our Children's Future

Your partnership helps identify hearing challenges early, supports families, and gives children a better opportunity to succeed in school and in life.

Please consider making a tax-deductible donation by November 15, 2026.

Make checks payable to **DLCI**, with **"Listen Up"** in the memo line, and mail to:

Harry Leipfert
2257 Cedar Grove Rd.
Winchester, VA 22603

District 24-L Lions Charity Inc. (DLCI) is an IRS-recognized 501(c)(3) charitable organization. **EIN: 56-2647378**

Together, we can help children hear their world, find their voice, and reach their full potential. Thank you for considering a partnership that can make a difference for generations to come.

With sincere appreciation,

Lions Listen Up! Program
